every following 4th row until 108 (112) [116] sts. remain. Work straight until piece measures 5½ (5½) [6] ins. down centre.

With right side facing, continue shaping sides by increasing 1 stitch at each end of next and every following 6th (6th) [4th] row until there are 128 (136) [144] sts.

corner (see arrow on diagram 2). Bring thread to right side in block of buttonholing on left and weave round the square as shown, taking threads in threes; finish off neatly when motif is completed.

Now start on lower edge of block below, see diagram 3; loop thread 4 times, coming out at point shown on diagram 4. Now run thread round twice in circles, taking it under the 3 centre threads of each group of 9 (see diagram 2 again), then fill adjoining square with the looped stitch. Finish off and start on left side again; continue working across in rows until corner is finished.

Loose threads can be drawn out when position of next corner is fixed. After working the four corners, hem-stitch connecting lines either side in matching cotton, and tie in groups with white

cotton as shown in diagram 5. These connecting lines can be seen in the single table mat opposite. For this mat, we worked one corner motif and let the connecting lines run off as illustrated. In this mat, you can see clearly how the blocks are

worked exactly one above the other; this means counting the threads very carefully as you go along, but this is not difficult once you have made a good start.

Press finished cloth carefully on wrong side under a damp cloth.

### STRIPED YOKE JUMPER

*continued from page 8*

Continue in striped pattern in F. and W. shaping shoulders by casting off 7 (11) [13] sts. at beginning of

next 2 rows, then 7 (7) [7] sts. at beginning of next 10 rows. Work 6 rows straight in stocking-stitch in F. on remaining 54 (54) [58] sts. Cast off very loosely, using a bigger needle.

#### FRONT

Work exactly as for back from \*\* to \*\*. Change to B. and work as follows:—NEXT ROW: k. 34 (38) [42], turn and leave remaining stitches on a spare needle. NEXT ROW: In B., cast on 10 for underlap, purl to end. Work in stripes as for back until 1st row of 6th B. stripe has been done. NEXT ROW: Cast off 10, purl to end. Break B. and W. Leave stitches for the time being.

With right side facing, rejoin B. wool to remaining stitches and work as follows:—NEXT ROW: Knit twice in 1st stitch, knit to end. NEXT ROW: In B., purl to last stitch, increasing in last stitch. Continue in striped pattern, increasing for point at beginning of next and every following row at this edge to end of 3rd B. stripe. NEXT ROW: In W., k. 6, cast off 4, knit to end. NEXT ROW: Purl in W., casting on 4 sts. over those cast off.

Now continue in striped pattern, decreasing 1 stitch at point on next 10 rows. This completes first set of stripes. Break B. and W. wool.

With right side facing, rejoin W. wool at armhole edge and work 2 rows stocking-stitch over all stitches.
